except in the case of Chaguanas District where the entire D.F. is previously paid Speyside Rocks and Icacos Boards, should debited to the latter by

remaining undisturbed. This is what has been done in the several D.F. and Municipal Budgets for the current year The entire establishment charges are debited to Distt. A Comparative Statement showing the quota of Contribution debitable to municipal & District funds in each District is put up for reference a It will be seen from the Statement that a slight Variation exists between the quota of Contribution as now given in the Comptroller's Statement & that shown in Govt Proceedings no 5242-20 X dated 273-77 31st October 1899, as regards Shimoga and Bangalore District Boards. It may possibly be due to slight differences in calculation by taking into account the maximum & minimum pay of the L.F. establishments in the District offices. Draft sanctioning the revised Statement now submitted by the Comptroller is submitted for approval or other orders
